

### About Us

Since its foundation in 1999,

## Advantage Communications

have built an outstanding reputation in Training and Consultancy Services by providing our clients with exceptional training and business solutions. Our company has two key areas of speciality, Training Services and Consultancy Services.

We deliver **Training Courses** for owners, managers, supervisors and staff working in all areas of business and at all levels. We Provide company specific training, both in groups and on a one to one basis. We also provide open training courses around Ireland, saving delegate's time by not having to travel too far. High quality training is still the core of our business and is the platform from which we have developed.

Our **Consultancy Services** division works with companies in a number of different area. The services we provide include Business Analysis, Business Development Strategies, Recruitment, HR Services, Training Needs Analysis, Customer Satisfaction Surveys, Mediation and much more.

**Advantage Communications** was founded by Ivan Agar. He holds an Honours Masters Degree in Business Studies, specialising in Human Resource Strategies from Dublin City University.

Ivan is a qualified trainer through the Irish Institute of Training & Development & NUI Maynooth. Ivan has been involved in training & consultancy for a number of years and has worked for both national and multinational companies in various disciplines along with many companies in the SME sector.
