

Corporate Training Programmes

Advantage Communications deliver bespoke

Training Courses

for owners, managers, supervisors and staff working in all areas of business and at all levels. **Advantage Communication's** programmes are delivered in a practical hands on way.

We Provide company specific training, both in groups and on a one to one basis. We also provide open **training courses** around Ireland, saving delegate's time by not having to travel too far. High quality training is still the core of our business and is the platform from which we have developed.

What We Do:
